Classes **STD, JWW, FAST & T2B Classes** offered as described in Chapter 2 & Chapter 10 in the Agility Regulations.

Dogs Eligible to Enter This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind or deaf shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under six months of age are strictly prohibited from the trial grounds.

No more than 10 entries allowed per envelope No online entries will be accepted. Express Mail entries (although not necessary) must waive "acceptance signature requirement". **Entry form changes, corrections or cancellations must be done in writing before the September 7, 2019 closing date.** Exhibitors are responsible for complete, accurate and legible information on entry forms. Entries must include the AKC agreement.

Wait List SJVAC is offering a Wait List to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of 50 entries will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to closing at 6:00 pm CDT on **September 7, 2019.**

Any entries withdrawn that are received by 6:00 pm CDT on Monday, **September 16, 2019** will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. **Any wait listed entry that does not move off the wait list into the trial by 6:00 pm CDT on Monday, September 16, 2019 will not be charged.** If you do **not** wish to be placed on the Wait List, please mark the top of the entry form.

Course Familiarization and Warm-Ups Handlers in all classes are permitted to walk the course without a dog prior to the start of the class as directed by the judge to plan their strategy. Judges briefing will outline the course and answer handler questions. A warm up jump will be provided for each ring.

Obstacles Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility. All contacts are rubberized, and weave poles are 24" spacing.

Measuring and Height Card Information When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the **Dogs To Be Measured List**.

Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials.

It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Height Divisions Judges reserve the right to measure dogs without a valid height card. Dogs **may not** enter both **Regular** and **Preferred** classes for the same set of trials for the weekend.

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24"C"	DNA	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Dogs that run in a division lower than their proper height will be eliminated. Preferred dogs must run at their measured height.

Ringside Exhibitors are responsible for being at ringside when it is their turn to run. Gate Stewards are only following directions to keep the trial moving smoothly for all. Please treat all volunteers working this trial for you with respect.

Prizes and Awards Rosettes will be awarded to the 1st through 4th place dogs in each jump height in each Standard & JWW class. Qualifying ribbons will be awarded to all dogs receiving a qualifying score. Dogs must qualify to place. A bar and rosette will be awarded for teams earning their Agility Grand Champion, MACH, PACH or PAX. Only one bar will be awarded for a run that earns both a PACH AND PAX. All prizes must be claimed before the close of the trial. None will be mailed.
